

# LiteSpeed™

**10  
DAY**

## Quick-Ship Service

**Litecontrol offers the industry's only Quick-ship program that provides Cradle-to-Cradle Certified™ fixtures on a 10-day basis.**

**Our LiteSpeed products include:**

- Arcos and SAE pendant indirect
- Arcos and SAE pendant indirect/direct
- SAE wall-mounted indirect
- SAE Litewave recessed indirect

Litecontrol LiteSpeed fixtures are available to ship within 10 business days after receipt of cleared order.

### Special Features, Terms & Conditions

- Shipment within 10 business days from receipt of released, cleared order.
- "LS" prefix required in front of standard catalog number to designate a LiteSpeed order.
- Standard terms and conditions (marking, packaging and shipping methods) apply. Field adjustable aircraft cable mounting provided on all LiteSpeed pendant fixtures.
- Not all options are available for 10-day shipment. Please consult the product technical sheets at [litecontrol.com](http://litecontrol.com) to verify availability.
- Large order sizes may not be available for 10-day shipment. Please contact Litecontrol to confirm availability.
